Kunderd Gladioli Stand Supreme

A. E. KUNDERD

The Originator of the Ruffled and the Laciniated Gladioli

GOSHEN, INDIANA, U. S. A.

To Commercial Growers:

THE mailing of this wholesale price list for 1931 marks the beginning of my 51st year in the growing and developing of Gladioli. I offer you here an opportunity to buy at wholesale prices from a list of 565 of the most outstanding varieties ever brought together in one group. This list represents the cream of my productions to date—the result of many years of tireless effort to produce the best in the greatest of all flowers—The Gladiolus.

I have reduced my prices consistent with the general downward trend of all commodities. The quotations made throughout are the lowest possible considering the high quality I offer.

From among the thousands of new varieties grown annually it is possible for me to select a considerable number of extraordinary new things each year and in this list you will find 64 new introductions for 1931. This is a most desirable group to add to my previous introductions and in offering them, you are given the opportunity to purchase these varieties the very first year at wholesale prices.

Although I, like virtually all other growers, suffered as a result of the most terrific drought this country has ever seen, I am happy, indeed, to inform my customers that the fall rains set in sufficiently early to produce stock of a very pleasing quality. There are not as many first size bulbs as would have been produced in a normal season. Neither is the bulblet increase up to anything like the normal quantity but the intermediate sizes, that is, from second size to sixth size inclusive, are in reasonable supply and equal in quality to any previous year's harvest.

It has been my custom to mail my wholesale price list early in December but in view of a greater volume of inquiries for prices than ever before at this time of the year, I feel it necessary to issue this list earlier. It is perhaps appropriate at this point to explain that the demands on my stocks for last season were so very heavy that the surplus of many kinds listed at wholesale is very limited and it is, therefore, quite essential for you to place your order early for such varieties as you are particularly anxious to procure. Because of the limited stocks I must reserve the privilege of discontinuing wholesale prices without notice.

Remember, all bulbs which I ship are carefully hand-sorted to assure uniform quality and also that orders are filled as nearly as possible in the order in which they are received.

TERMS—Please Read Before Ordering

NO orders accepted for less than \$3.00. Each order is treated as an individual order and smaller orders sent at different times can not be combined to make the order total the required amount. Orders for less than this amount can only be filled at a loss, that is at these wholesale prices.

A discount of 5% will be allowed on all orders received with the full remittance. Orders for more than \$10.00 will be held on a deposit of 25% and shipped when wanted (up to April 1st), C. O. D. for balance. Orders under \$10.00 are cash. All orders from outside of the United States proper must be accompanied with full payment.

All prices quoted are F. O. B. Goshen, Indiana and subject to stocks being unsold on receipt of orders. There will be no charge for boxes or packing. In making shipments, I will send the cheapest way. When sending by Parcel Post, the shipment will be mailed C. O. D. for postage charges. Do not remit payment for postage as this can not be accurately figured.

My guarantee: Stock to be of the best quality, and true to name. I will gladly replace any bulbs that are not true to name, as I am anxious to satisfy all of my customers. In the event your shipment does not arrive in a satisfactory condition please notify me at once.

All orders are filled in the order in which they are received. My advice is that you order early so as to avoid disappointment. No substitutions will be made unless by special request.

All stock is offered subject to prior sale and orders accepted subject to any contingencies beyond my control.

Orders will be filled any time after Jan. 15 but during cold weather shipments will be made by express only to minimize loss from freezing.
